To connect to our tradition, we must understand the inner meaning and symbols of the holidays. The *Jewish Holiday Companion* is comprised of essays on the holidays, their symbols, and synagogue readings, making it a timeless volume that enables each reader to connect to the Jewish festivals year after year.

Rabbi Hayyim Angel is the National Scholar of the Institute for Jewish Ideas and Ideals (jewishideas.org), one of the great beacons of light for promoting a vision of the Torah that is authentic, passionate, reasonable, and embracing of people of all backgrounds. He also teaches advanced Bible courses at Yeshiva University, and lectures widely.
